Notes

1. Heat range of 42 recommended for engine dyno runs only. Hotter 43 or 44 plugs generally work better on the street.
2. Quoted short-block price does not include $200 refundable core charge.
3. Substitution of Edelbrock Super Victor Vortec intake (PN 2913, $255.95 at Summit) raises total price of build to $2,681.04.
